MONDAY EVENING, JUNE 5, 1882.

LOCAL MATTERS.

WEATHER PROBABILITIES, June 5, 1882.
The Middle Atlantic States fair weather, high barometer, winds mostly from northwest to southwest, becoming variable and slight changes in temperature.

SUNDAY NOTES—RELIGIOUS AND OTHER.
Yesterday, early in the morning, the prospects were for a rainy day, but by 10 o'clock the sun came out brightly, and the remainder of the day continued clear and cool. It being the first Sunday in the month communion services were held in nearly all the churches, large congregations being present.

Rev. Mr. Whittlesy preached in the First Presbyterian Church in the morning. In the Baptist Church Rev. Dr. Kirk, of Northumberland county, preached in the morning, and Rev. Mr. Beale, son of Gen. Beale, of Westmoreland county, at night. Mr. Forsythe, Presiding Elder of the district, preached in the M. E. Church in the morning. The services in all the other churches were conducted by the resident clergy.

In the afternoon temperance meetings were held in the hall of the Reform Club; at the Virginia Midland Railway depot, and at the corner of Cameron and Royal streets. At the latter meeting Messrs. Wakefield, of Fairfax, and Divine, of Loudoun, delivered addresses. An interesting children's meeting was held in Christ Church at 3 o'clock.

A sermon in the M. E. Church, Rev. Dr. Poirer, preached an interesting sermon on "Sermon on the Mount."

The whole day was unusually quiet. Not a drop of rain fell, and the druggists would not sell a drop of soda water. In some places signs were allowed to sell soda water were conspicuously posted. There were not an arrest made during the day. There were a few strangers here from Washington, but they soon took in the situation and left for fields more pleasant. The grave yards, strange to say, were the only places where there was any life.

POLICE NEWS. There were before the Mayor this morning Frank Walker and Alphonzo Arrington, arrested Saturday night for fighting; Pat Gathright, colored, for threatening and abusive language and breaking a street lamp; Philip Taylor, colored, for throwing stones in the street; Samuel Reed, colored, for abusive language; Lena Bell, also colored, and three small colored boys for stealing lead pipe from a warehouse on the wharf. Walker and Arrington were fined \$5 each and discharged. Pat Gathright, in default of the payment of a fine of \$5 was sent to jail for 30 days. Philip Taylor was sent to the chain gang for 30 days. Samuel Reed was fined \$5 and discharged. The three boys for stealing lead pipe were whipped severely by their mothers at the station house.

THE GRACE CHURCH FESTIVAL.—The festival for the benefit of Grace Church commenced at Armory Hall tonight, and will continue till Wednesday night. There will be vocal and instrumental music and literary exercises during each evening. The officers of the M. E. Church South, the M. P. Church and Grace Church have accepted invitations to be present. Mr. Kahr, of St. Mary's Church choir, Prof. K. J. Hamann, and a number of Washington and Prof. Heyman, of this city, will also take part in the entertainments. Brass and string bands will be in attendance each evening. The prospects are that this festival will be one of the most pleasant and successful ever given in this city. The Alexandria Light Infantry will attend to-night in full dress uniform.

RIVER TRADE.—Inspector G. W. Hawk reports the following arrivals at the river front:

Steamer Sue, Geoghegan, Baltimore, merchandise to J. Broderick & Co.; Str. John Gibson, Young, New York, merchandise to F. A. Reed & Co.; Str. Norfolk, Shropshire, Philadelphia, merchandise to F. A. Reed & Co.; Str. Eagle, Creighton, Havre de Grace, to F. J. McHaffey & Co.; Str. T. D. Parnell, White, from G. H. Robinson; Str. Mechanic, King, Upper Machodoc, from G. H. Robinson and Beckham & Bro.; Str. Mary Ellen, Underwood, wood to market.

SUNDAY LAW VIOLATORS TO BE PROSECUTED.—The three saloon keepers who have been fined for violation of the Sunday law since the issuing of the new licenses have been served with notices to appear before the Corporation Court on Wednesday of next week, the 14th inst., to show cause why their licenses should not be revoked. The saloon keepers will probably be represented by counsel. The temperance people will endeavor if the licenses of the accused are revoked, to prevent the resuming of saloons to any parties to engage in the saloon business in the same houses now occupied by the defendants.

RELIEF HOOK AND LADDER CO.—At the regular meeting of the Relief Hook and Ladder Co., Friday night, with President Park in the chair and C. H. Picken secretary, the committee having in large the late fair reported, and turned into the treasury \$270. A vote of thanks was ordered the ladies, to whose efforts the success of the fair was mainly due, and the citizens who responded to the appeal of the company. Three honorary members were elected and the Recorder reported one fire in the month of May. The meeting then adjourned.

YACHTING.—The yacht Americus was spotted in the river off this city, this afternoon, and George Stearns, the only person on board at the time came near being drowned. The yacht was soon righted by the crew who went from the shore. The Americus, which has been here for some time undergoing repairs, belongs to Washington parties.
